

Back up Pack Up

Dear Parent/ Guardian,

To try and encourage as many reception pupils as possible to take a **free school lunch** we are offering your child the opportunity to try a school lunch catered for by ISS our catering providers.

To alleviate any anxieties you or your child may have, we encourage you to provide your child with a packed lunch alongside the school meal provision. Your child will be prepared a school lunch at no extra cost due to them being entitled to **Universal Infant Free School Meals**.

Please be aware that the Back up Pack up Initiative will run from the **2nd** October to 11th October. Following on from these dates your child will only be prepared a school lunch upon request.

We hope to see some new faces staying for school lunch

Yours Sincerely,

Sandhill Primary School and Your Catering Team
