

SANDHILL PRIMARY SCHOOL

YEAR 6 – WEEK 1

WEEKLY MATHS TASKS (1 PER DAY)

Working on Times Table Rockstars - your child will have an individual login to access this

Multiply numbers together including decimals (3dx2d, 4dx2d)

Get your child to work on their reasoning and problem solving by practising past SATs questions that are broken down into topic areas and have videos linked to them that can be watched if needed.

Divide numbers with remainders as decimals and fractions (3d/1d, 4d/2d).

Working on Numbots - your child will have an individual login to access this.

WEEKLY WRITING TASKS (1 PER DAY)

Retell the narrative (Spy Fox) in 1st or 3rd person.

<https://www.literacyshed.com/spyfox.html>

Write a character description about someone in your family. Things to consider: personality, background/past, what do they look like, hobbies, interesting facts.

What makes your family different to other families? What makes them the same? Write a poem about your family

Write diary entries summarising the events of the past two days. This can be a combination of the activities you have been doing and world news

Children should only be allowed to watch TV for one hour a day. Write a balanced argument discussing this (at least 2 points for and 2 against) Remember - Intro and connective adverbials.

WEEKLY TOPIC TASKS (1 PER DAY)

Research all the flags of South America (12 countries). Can you write an interesting fact about each country – display this in a poster

Choose a country in a climate zone of your choice to research and find out the following: average temperature and rainfall and the effect this has on the landscape and inhabitants

Research a famous explorer and report on an expedition. Present your work as a newspaper article. You could report on what it was like, the challenges they faced, what discoveries did they make, was it a successful expedition.

Research an animal which lives in Antarctica and draw a sketch, collage or painting of it – be creative

Can you find out the population of different countries and their capitals – two from each continent. Present your findings in a graph.

WEEKLY READING TASKS (1 PER DAY)

Save this task for Friday. Find a book you will enjoy, any book you like. Read for 10/15 minutes. No questions, no summary, just enjoy reading.

Read chapter 1 of Mathos and complete the Chapter 1: Online Multiply Questions. https://www.purplemash.com/#tab/serialmath/mathos_live

Sign up to Oxford Owl and read the first chapter of Dragon Tales. Draw your own Dragon surrounded by expanded noun phrases describing its features and special powers

Practise 5 Year 5/6 Common Exception Words – full list is available on Twinkl. For each word write a synonym, antonym and an example of how to use the word in a sentence.

Read a chapter from a book from home. Summarise the events from the chapter in a comic strip – be creative
