

YEAR 6 – WEEK 3

Twitter - @sandhillprimar7

WEEKLY MATHS TASKS (1 PER DAY)

Working on Times Table Rockstars - your child will have an individual login to access this.

Sign up to Classroom Secrets Kids. Complete the interactive arithmetic questions 03 and 04.
<https://kids.classroomsecrets.co.uk/category/year-6/arithmetic-year-6-maths/>

Sign up to Classroom Secrets Kids. Complete the interactive Y6 Reasoning and Test Practice 3 and 4.
<https://kids.classroomsecrets.co.uk/category/year-6/year-6-maths/>

Go for a walk. How many of the following can you find: rainbow pictures, a dog, blue cars, satellite dish, yellow flowers, number 5 on a car number plate, red doors. Record your results on a tally chart.

Working on Numbots - your child will have an individual login to access this.

WEEKLY WRITING TASKS (1 PER DAY)

You are living through history right now. Design a My 2020 Covid – 19 Time Capsule. In years to come, this will be something that you look back on to remember this period in history. There is a template example on twitter - @sandhillprimar7 or visit
<https://www.kxly.com/my-2020-covid-19-time-capsule/>

Write a persuasive piece of writing persuading people to look after the oceans and why this is important. Think about the persuasive techniques that we have used in the past. Could you use quotes and statistics to help you?

Year 5 and 6 spellings – Spelling Game 1
<https://kids.classroomsecrets.co.uk/resource/year-5-and-year-6-spelling-game-1/>

Write a short story about this picture.
 Ideas to think about:
 Genre of writing.
 Who is the picture?
 Where is this?
 Their feelings, emotions?

<https://www.literacyshed.com/the-images-shed.html>

WEEKLY TOPIC TASKS (1 PER DAY)

Research and design a poster informing Mr Walters all about Marine Biomes. Think about: types of marine biomes, animals and plants that live in them.

Minecraft Coding. See if you can complete of the **hour of code** sessions for the following website: <https://code.org/learn>

Research all about coral reefs. What is a coral reef? Why are they important? Where are they located? Are there different types of coral reefs? What animals live in coral reefs? What must we do to protect them? You can present the information anyway you like.

Research and make your own Biome in a bottle.

Draw any animal that lives in a marine biome and one that lives in a coral reef

WEEKLY READING TASKS (1 PER DAY)

Find a book you will enjoy, any book you like. Read for 10/15 minutes. No questions, no summary, just enjoy reading.

Read chapter 3 of Mathos and complete the Chapter 3 Online Multiply Questions.
https://www.purplemash.com/#tab/serialmash/mathos_live

Read the final chapter of Dragon Tales. 1. How do the three things that Tchang brings to his mother make their life better? 2. There is a famous palace in China called The Forbidden City. Find and tell Mr Walters 10 interesting facts about The Forbidden City

Y6 Interactive Easter Reading Comprehension

<https://kids.classroomsecrets.co.uk/resource/year-6-easter-reading-comprehension-easter-with-friends/>

Practise another 5 Year 5/6 Common Exception Words – full list is available on Twinkl. For each word write a synonym, antonym and an example of how to use the word in a sentence.
