

YEAR 6 – WEEK 6

Twitter - @sandhillprimar7

WEEKLY MATHS TASKS (1 PER DAY)

Working on Times Table Rockstars - your child will have an individual login to access this.

Sign up to Classroom Secrets Kids. Complete the interactive arithmetic questions 09 and 10.
<https://kids.classroomsecrets.co.uk/category/year-6/arithmetic-year-6-maths/>

Common Factors Reasoning
<https://kids.classroomsecrets.co.uk/resource/year-6-common-factors-reasoning-practice/>
Vertically Opposite Angles
<https://kids.classroomsecrets.co.uk/resource/year-6-vertically-opposite-angles/>

During your daily exercise, measure or estimate how far you travel in miles and then convert this to metric measurements. Find out what metric measurements are and which ones are appropriate for measuring length and distance. Create a table showing objects around the house/garden that you could measure using different metric measurements.

Working on Numbots - your child will have an individual login to access this.

WEEKLY WRITING TASKS (1 PER DAY)

Watch the link below and then design your own superhero with a character description. What super powers will they have? What would their costume be like? Who would their enemy be?

<https://www.youtube.com/watch?v=JrfuAukYTKg>

Using your imagination to create a similar story to Tiddler but in a different habitat with different animals

<https://www.youtube.com/watch?v=qcTQADUyWZY>

Use your wonderful imagination to write a story about this house. Things to consider: Where is it? How did it get there? Who lives there? Why do they live there? What are they like?

identifying verbs
<https://kids.classroomsecrets.co.uk/resource/year-6-identifying-verbs-in-sentences/>

Using semi-colons
<https://kids.classroomsecrets.co.uk/resource/year-6-using-colons-and-semi-colons-to-mark-boundaries/>

WEEKLY TOPIC TASKS (1 PER DAY)

View Points.

Imagine being at the top of a famous landmark (e.g Eiffel Tower). Draw what you think you might be able to see from that viewpoint. Secondly, can you create a miniature model of your landmark. Evaluate what worked and what you would do differently.

See if you can complete an hour of code sessions for the following website: <https://code.org/learn>

Life skills

This week learn how to make mum or dad a cup of tea or coffee.
Learn how to use the washing machine.
Learn how to use the dishwasher or do the washing up.
Learn how to make a meal. For example spaghetti bolognaise

Recently Mr Walters has been watching the Starlink Train in the sky. Relating to space, can you design and draw a new space station. How would it be powered and what astronauts would need to live on it? Be creative.

The Science of Dust.

Watch the video via the link below and answer the questions. Then, clean your bedroom.
