THE POWER OF READING (1 PER DAY)

<https://www.sandhillprimary.org.uk/parent-information/school-closures-home-learning/power-of-reading/year-3-power-of-reading/>

EXPLORE IT: Choose one object that really interests you. What do you think the story might be behind that object?

ILLUSTRATE IT: Draw an artefact that you think deserves a place in the vault.

TALK ABOUT IT: In the picture we can see Professor Brownstone: answer the following questions about this character.

IMAGINE IT: Imagine you are responding to this advert. What do you think the professor would be looking for in a person to invite into the vault?

CREATE IT: write a letter to the professor persuading him that you deserve the opportunity to visit the vault.

WEEKLY TOPIC TASKS (1 PER DAY)

Monday: Watch a whale documentary or look at pictures of whales, make a picture.

Tuesday: Create a poster to encourage people to reduce waste and pollution in wildlife.

Wednesday: How are snails and whales adapted to their environment?

Thursday: Research snails and present the information in an interesting way. Consider including interesting facts and a piece of art.

Friday: Even though the snail is small, he helps to save the whale. Think about your abilities. Is there anything that you thought you couldn't do, but you managed to when you tried? Write down what happened and your thoughts and feelings about it.

WEEKLY ENGLISH TASKS (1 PER DAY)

Monday - Choose a type of whale and write a fact file about it.

Tuesday - Save the Whale! Make a poster to encourage people to save the whale in the book.

Wednesday - Write a newspaper article about the whale being washed up on shore.

<https://www.bbc.co.uk/newsround/35292610>

Thursday - Should whales be kept in captivity? Write a balanced argument explaining why they should be kept in captivity, but also why they shouldn't be kept in captivity.

Friday - A rock is described as being 'as black as soot'. This is a simile. Can you find more in the story? Can you make up your own similes?
