

SANDHILL PRIMARY SCHOOL

YEAR 2 – WEEK 11 Twitter - @sandhillElfs

Maths – Summer Term Week 2

Monday – Order lengths

Tuesday – Compare lengths

Wednesday – Four operations with lengths

Thursday – Problem Solving

Friday – The Friday Maths Challenge

Topic

Monday – Read Oliver's vegetables (or watch on youtube). What is the meaning behind this story?

Tuesday – identify different fruits and vegetables and sort where they grow.

Wednesday – Plant some cress seeds and keep a simple diary

Thursday – What are the world's biomes? Give an explanation of what these are and the different types.

Friday -Why is healthy eating important? Research and create a poster.

Literacy

Monday

Look at the front cover of the new book. What questions do you have about it? What can you see on the cover that may give you some clues?

Tuesday

Make a list of the vegetables Oliver tried each day. Can you add an adjective/ expanded noun phrase to describe each vegetable

Wednesday

Make a simple book and write Oliver's vegetable diary with pictures of everything he tried.

Thursday

Write a diary entry as Oliver. Think about his feelings initially when he can't find potatoes. How different would the first day be to the final day?

Friday – Create it

Write a fact file about vegetables.
