

Suitable for children of all ages, our newest fundraiser invites you to celebrate the life of a loved one, walk to support patient care, or simply be part of something special together as a family.

The one-mile sponsored walk takes you round the beautiful Locke Park, with the lanterns of little ones lighting up the night.

The procession will be led by a local samba band - Halloween-themed merchandise and food and drink will be available. Fancy dress is encouraged!

A fundraising pack including great tips and ideas as well as a sponsor form and ticket will be sent out to participants.

Will you be a sponsorship superstar? Little fundraisers who raise £50 or more will receive a special 'Hospice Hero' medal and certificate.

The walk takes place at 5.30pm, arrive any time from 4.00pm.

Cost: £8 per person or £25 for a family ticket - including a lantern, goody bag and fundraising pack.
