

SANDHILL PRIMARY SCHOOL

YEAR 3 – WEEK 13

WEEKLY MATHS LEARNING (1 PER DAY)

Please visit the following website for resources: <https://www.sandhillprimary.org.uk/parent-information/school-closures-home-learning/>

Monday: Unit and non unit fractions

Tuesday: Making the Whole

Wednesday: Tenths.

Thursday: Count in tenths

Friday: Maths challenge.

THE POWER OF READING (1 PER DAY)

1. Explore it
Read the extract from the book below, thinking about what is happening and the characters you meet:

2. Illustrate it Re read the passage and draw what you see in your imagination.

3. Talk about it
Read the extract again, or have someone read it aloud to you. Think more about what you heard and read

5. Create it Take on the role of a sports commentator and describe the start of the event in writing.

4. Imagine it - imagine you decide to take part in the race.

WEEKLY TOPIC TASKS (1 PER DAY)

Monday: Research some of the ways we look after the environment already. Present your research in an exciting way. Do you think we do enough to look after the environment or should we do more?

Tuesday: The pages in this book create suspense whilst allowing us to predict what the next thing will be to help the world. Can you illustrate your own page to tell us what something is that you do to help the world?

Wednesday: Research how each small activity in the book helps the environment. Most of them have an estimated. If you did this every day for 1 week/1 month/1 year, work out how much money/electricity/carbon emissions you would save. Think about what calculation you will have to do.

Thursday: Look at the Recyclable materials in your house, can you reuse these items to make something useful such as a bug hotel or a bird feeder?

Friday: How has the environment changed over the decades? Present this in your preferred way.

WEEKLY ENGLISH TASKS (1 PER DAY)

Monday: Pick some sentences from the book. Can you up-level them using relative clauses?

Tuesday: Think about 10 changes you can make to change the world. Create a story map using these things.

Wednesday: Write a poem about the things that we can do to look after the planet.

Thursday: Write a letter to Mrs Wilson to persuade her to make changes in her schools to help the environment.

Friday: Create an explanation text of how materials get recycled. What processes do they go through?

PHONICS: Every day - Watch the Read Write Inc phonics videos on YouTube. If you aren't sure which video your child needs to watch, get in touch and your class teacher will help.
