THE POWER OF READING (1 PER DAY)

Explore it: Read the following page of text and spend time looking carefully at the illustration: What do you notice about this picture? How does the image make you feel?	ILLUSTRATE IT: Who do you think is watching the magic? How do you think they feel as they are watching this spectacle? What will their faces look like? Can you picture it in your mind? Draw the faces of the front row of an audience watching Abdul Kazam's magic show.	CREATE IT: If you could do magic, what trick would you want to do? Would you make it rain sweets? Turn a household object into a magical pet? Make your dinner disappear? Draw and write about a fantastical trick you'd like to perform.
	TALK ABOUT IT: Look at the front cover of the text and the way Abdul Kazam is represented here. What does this add to your ideas about him as a character? What does this make you think about his role in the story?	
	IMAGINE IT: Look again at the illustration. What other magical objects can you see in the image? What other tricks do you think Abdul Kazam could perform? Can you think of a new trick for Abdul Kazam to perform and a way of describing this for someone else using rich and descriptive vocabulary in the same way?
